

MMRDA Releases book on Transportation Statistics

Mumbai, December 16, 2018 - Metropolitan Commissioner Mr. R. A. Rajeev and Additional Metropolitan Commissioner Mr. Pravin Darade jointly released the 18th edition of the "Basic Transport and Communications Statistics for MMR".

"Such studies and statistics have been providing many a solution to transportation in Mumbai and its Metropolitan Region. In fact, requirement and implementation of Metro Project is the result of such a study. The study will be very useful for transport related analysts, students, researchers, professors and others", said Mr. Rajeev.

"The statistics will certainly pave way for a comfortable, speedy and safe transportation. This publication involves the Time Series Data of transport statistics in MMR and also covers data on Metro/Mono rail corridors. This issue will provide invaluable information and knowledge to the dynamic transport community", said Mr. Darade.

Present on the occasion were Ms. K. Vijaya Laxmi, Chief, Transport & Communication Division along with senior Statistical Officers Mr. Dilip Kunde and Mr. Sandip Patil.

The issue is open for sale in MMRDA Office
