

Electric tower shifting for Metro Line 2A works

Mumbai, January 24, 2019 - In connection with Metro Work Line-2A extending from Dahisar (E) to D N Nagar, 110kV monopole in lieu of existing tower at location no- 41 & 42 in Charkop is being erected on 26/01/19. For this 110kV both circuits of Borivali-Malad I, II lines of TATA power will be switched off from (2300Hrs) 26/01/19 to (0700Hrs) 27/01/19.

This will not result into power supply interruption as Adani Electricity & TATA power are making necessary network re-arrangements/alternative arrangements. However, in extreme exigency only, some customers of Kandivali (W), Malad(W), Goregaon (W) & Andheri (W) area might get affected.

All customers are requested to note & may please cooperate with the work which is being executed for the construction of Metro Line -2A.
Inconvenience to the customers is regretted.
