

PRESS RELEASE
Electric Tower shifting for Metro 2A works

In connection with Metro work Line-2A extending from Dahisar (E) to DN nagar, 110kV monopole in lieu of existing tower at location no-36 at Kamraj Nagar is being erected on 02/02/19. For this, power outages of 110kV both circuits of Borivali-Malad I,II transmission lines is scheduled from (2300Hrs) 02/02/19 to (0800Hrs) 03/02/19.

This will not result into power supply interruption as Adani Electricity & TATA power are making necessary network re-arrangements/alternative arrangements. However, in extreme exigency only, some customers of Kandivali (W), Malad(W) , Goregaon (W) & Andheri (W) area might get affected.

All customers are requested to note & may please cooperate with the work which is being executed for the construction of Metro Line -2A.
Inconvenience to the customers is regretted.
