

Mono spare parts arrive to ease Phase-2 soon

Mumbai, February 8, 2019 - The much awaited Monorail parts have arrived at Wadala Depot **today** from Malaysia, courtesy extra efforts on the part of Mr.R.A.Rajeev, Metropolitan Commissioner, MMRDA, who ensured that there is no more delay in securing the crucial parts, worth 3-crore which will now help MMRDA begin Monorail's Phase-2 sooner than expected. "The parts will enable MMRDA refurbish four more Mono trains into the service of Mumbaikars. Once commissioned, the entire route will attract many more commuters", said Mr.Dilip Kawathkar, Joint Project Director (PR), MMRDA. This means the entire Monorail corridor will operate with seven trains.

The two containers carried 112 types of spare parts weighing 40 tonnes.

After taking over operations and maintenance of the Monorail from M/s.Scomi Engineering BHD in the month of **December 2018**, this is considered a very positive step towards commissioning the second phase of the Monorail

The containers carried 112 types of spare parts weighing 40 tonnes from Malaysia. The parts will soon help MMRDA start the second phase from Wadala to Sant Gadge Maharaj Chowk.
