

Erection of Monopoles in Kamraj Nagar – Metro-2A corridor
Possible power outage from Kandivli (W) to Andheri (W)
from 00.00 hrs to 6am on 25th August and 1st September
Nights between 24th-25th August and 31st August and 1st September

Mumbai, August 23, 2019 – The Mumbai Metropolitan Region Development Authority (MMRDA) announces a possible power outage in Western areas of Kandivli, Malad, Goregaon and Andheri on the nights between 24th and 25th August and 31st August and 1st September 2019 from 00.00 hours to 6am as the Authority will erect Monopoles in Kamraj Nagar on the Dahisar to DN Nagar Metro-2A corridor.

“Although the TATA Power and Adani Electricity have assured alternative arrangements during the abovementioned nights, there is a feeble possibility of a power outage and hence MMRDA thought it appropriate to communicate with the Tata and Adani consumers of the possible power outage”, said Mr.B.G.Pawar, Joint Metropolitan Commissioner, MMRDA.
