

MMRDA invites e-tenders to construct 16 stations on the Andheri (East) to Dahisar (East) Metro-7 corridor

Mumbai, December 16, 2015 – The Mumbai Metropolitan Region Development Authority (MMRDA) has invited e-tenders for designing and constructing an elevated viaduct and 16 stations on the Andheri (East) to Dahisar (East) Metro-7 corridor in three separate packages. The three winning bidders will design and construct the entire corridor and 16 stations in 30 months.

The first package consists of designing and constructing of an elevated viaduct and five elevated stations – namely – Andheri (E), Shankarwadi, JVLR Junction, Mahanand and new Ashok Nagar.

The second package consists of designing and constructing of an elevated viaduct and six elevated stations – namely – Aarey, Dindoshi, Pathan Wadi, Pushpa Park, Bandongri and Mahindra & Mahindra.

And the third package consists of designing and constructing of an elevated viaduct and five elevated stations – namely – Magathane, Devipada, National Park, Ovaripada and Dahisar (E).

The tender documents will be available at <https://etendermmrda.maharashtra.gov.in> from December 21, 2015 to January 21, 2016 up to 6 pm on payment of non-refundable Tender Processing Fee of rupees one lakh (which is inclusive of 5% MVAT).

While the pre-bid meeting will be held on January 7, 2016 at 11 am; the last date for submission of tender documents is February 1, 2016 up to 6 pm.
