

## **CM inaugurates MMRDA's new iconic office building Equipped with modern and state-of-the-art facilities**

**Mumbai, January 23, 2016** – The Honourable Chief Minister of Maharashtra, Mr. Devendra Fadnavis, today inaugurated the new iconic administrative building of the Mumbai Metropolitan Region Development Authority (MMRDA) which is situated behind the old building in the Bandra-Kurla Complex. The new 9-storey stylish building is equipped with many a facility such as modern auditorium, board rooms, two-level basement, two service floors, public address system, CCTVs, door frame metal detectors, baggage scanners, fire hydrants, sprinklers, smoke detectors, ample parking space etc. The building also provides for sewerage treatment plant, rain water harvesting and solar energy among other facilities.

“The new MMRDA office building is indeed iconic. It’s spacious, elegant and is representing the modern culture that is created by MMRDA by undertaking and completing various infrastructure projects not only in the city but also in its metropolitan region. The government organization that is undertaking mega projects invoking global attention required such state-of-the-art facility”, said Mr. Fadnavis after inaugurating the building.

All the floors provide column-free space in the entire office. While the main staircase and lift lobbies is provided with granite flooring, the lobbies and entrance are provided with Italian marble flooring.
