

MMRDA's Executive Committee Meeting held today General Consultants for MTHL appointed DMRC gets funds for Metro-2A and Metro-7 corridors

Mumbai, November 25, 2016 – The Executive Committee of the Mumbai Metropolitan Region Development Authority (MMRDA), headed by Mr. Swadheen Kshatriya, Chairman, Executive Committee, MMRDA and Chief Secretary, Government of Maharashtra, today, accorded administrative approval to the appointment of a consortium formed by M/s. AECOM Asia Co. Ltd.-DAR-Al-Handsah-T.Y.Lin International as General Consultants for the 22-km long Mumbai Trans Harbour Link Project and also to provision of Rs. 340 crore to the Delhi Metro Rail Corporation (DMRC) for the implementation and commissioning of rolling stock, signaling and telecommunication work for the Dahisar to DN Nagar Metro-2A and Dahisar (East) to Andheri (East) Metro-7 corridors.

“The General Consultants – appointed for the MTHL project – will engage in various activities such as to help MMRDA organize pre-bid meetings, examine bid documents, secure various permissions from government, semi-government, examine concept designs, monitor construction of the project and ensure quality of the work among other things”, said Mr. U.P.S. Madan, Metropolitan Commissioner, MMRDA.

Mr. Pravin Darade, Additional Metropolitan Commissioner, MMRDA said, “Provision of funds to the Delhi Metro Rail Corporation will put Metro-2A and Metro-7 corridors on fast tracks. Today the Mumbaikars are facing some inconvenience but I assure them that their inconvenience will be a thing of past soon. We are committed to complete Metro projects as early as possible”.
