

## **Additional Metropolitan Commissioner visits Dahisar (East) to Andheri (East) Metro-7 corridor**

**Mumbai, February 18, 2017** - The Additional Metropolitan Commissioner Mr. Pravin Darade, today visited Dahisar (East) to Andheri (East) Metro-7 corridor along with Director (Project), Chief Engineer and Consultants to oversee the progress on all packages 1, 2 and 3. While package-1 consists of Andheri (E), Shankarwadi, JVLR Junction and Mahananda stations; Package-2 consists of Aarey, Pathanwadi, Pushpa Park, Bandongari and Mahindra and Mahindra Stations and Package-3 consists of Magathane, Devipada, National Park and Ovripada Stations.

Mr. Darade had a detailed discussion during the site visit as to the construction activities to be undertaken before the ensuing monsoon. He also directed all concerned to ensure completion of all piling, pile caps and pier work before the monsoon. Mr. Darade further instructed contactors to "mobilize the required number of piling rigs and skilled labourers to complete the work upto pier level before monsoon".

"It is very crucial to carry out the road work for smooth traffic flow", said Mr. Darade.

The 16.5-km Dahisar (E) to Andheri (E) Metro-7 corridor consists of 14 following stations.
