

Traffic flow will be flawless during monsoon; assures MMRDA Additional Commissioner

Mumbai, March 23, 2017 – Mr. Pravin Darade, Additional Metropolitan Commissioner, MMRDA, today morning, visited the alignment of 16.5-km long Andheri (E) to Dahisar (E) Metro-7 Corridor with his team of experts in toe to make sure that the traffic flow remains flawless during monsoon.

Mr. Darade has vowed to ensure completion of all piling, pile caps and pier work before the monsoon. "It is very important to finish the road work in time for smooth traffic flow", Mr. Darade said.

The 16.5-km Andheri (E) to Dahisar (E) Metro-7 Corridor will have 14 stations and will cost Rs. 6,208 crore

Andheri (E) to Dahisar (E) Metro-7 Corridor –

Andheri (E), Shankarwadi, JVLR Junction, Mahanand, Aarey, Pathan Wadi, Pushpa Park, Bandongri, Mahindra & Mahindra, Magathane, Devipada, National Park, Ovaripada and Dahisar (E).
