Consultancy services for 'Updation of Comprehensive Transportation Study For Mumbai Metropolitan Region'. Detailed Tender Notice

Mumbai Metropolitan Region Development Authority (MMRDA) under MUTP and with Technical Assistance of World Bank had carried out the Comprehensive Transportation Study (CTS) for Mumbai Metropolitan Region (MMR) through M/s LEA International Ltd. (LIL), Canada and LEA Associates South Asia Private Limited (LASA), New Delhi (LEA Group) as a consultant. CTS for MMR has recommended for planned development of transport system in MMR for the period up to 2031 requiring an investment more than Rs 200,000 crores (about US\$ 50 billion). This includes implementing projects pertaining to up-gradation of the present transport network, as well as additions to the highway and transit systems for the various plan periods i.e., short term (2008-2016), medium term (2017-2021) and long term (2022-2031).

2.0 MMRDA made efforts as a step towards implementation of CTS recommendations by initiating the Technical Assistance (TA) in 2009 which was concluded in August 2012.

3.0 During last decade after Completion of CTS & TA study, MMR has been widely experiencing major developments mainly inclusion of 27 villages in notified area in kalyan & 51 villages in notified area in Bhivandi, Changed Land-use at Wadala, Navi Mumbai Airport Influence Notified Area, SEZ at JnPT, changes in Development Plans etc and these developments are changing whole scenario of MMR.

In view of the above, MMRDA intends to update the CTS Travel Demand model and Plan with current Census 2011 and recent Economic Census in addition to above major developments.

4.0 Objective & Scope of Service:

The main objective of this assignment is to update the Comprehensive Transport Study for Mumbai Metropolitan Region considering the Recent Population & Economic census in addition to the major developments. The scope of the consultancy service is as below:

5.0 Eligibility Criteria:
