

Mumbai Trans Harbour Link Project **Casting for the first segment of Package-3 begins today**

Mumbai, September 11, 2019 – The casting of the first segment of Package-3 began today at Ulwe in the presence of Mr.Sanjay Khandare, Additional Metropolitan Commissioner, MMRDA,. “MTHL is a very significant project as far as connectivity between Mumbai and Navi Mumbai is concerned, the very reason why beginning of the casting of its first segment in package-3 of the entire project assumes so much importance”, said Mr.Khandare.

Package-3 consists of construction of 2.5-km viaduct and 1.5-km at grade work from Gavan village to Chirle Village connecting NH-4B.

The Rs.17,843/- crore Mumbai Trans Harbour Link project has been divided into three packages viz.

- Package-1 running from Sewri up to 10.38-km (10.38 km)
- Package-2 running from step 10.38-km up to step 18.187-km (7.807 km) and
- Package-3 running from step 18.187 up to Chirle (3.613 km)

Present on the occasion was Dr.D.T.Thube, Chief Engineer, MMRDA, along with other senior officials from MMRDA
